**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like to see more than two providers so that competitions exist. As a result, price hike on the cost of internet & telephone services will be minimized.

I'm currently subscribed to Sonic's Fiber internet & home phone services. Sonic is currently a competitor to A T & T and Comcast. With the competition, this benefits the consumers.
